POGGIOMANDORLO	2005	Ombre	(\$95.00)	90

The **2005 Poggiomandorlo** is Merlot and Cabernet Franc grown in the province of Grosseto. This dark colored, concentrated wine opens with promising scents of coffee, chocolate, spices and new leather.

2005 Ombre is a beautiful wine with floral aromatics that lead to ripe, soft-textured blueberries, plums, spices and sweet toasted oak on a sumptuous frame of notable length and harmony... This will be a fascinating wine to follow as the vines acquire age. Ombre is a Cabernet Franc, Merlot and Sangiovese blend made for restaurateurs Arrigo and Giuseppe Cipriani. The fruit is grown at Tenuta Oliveto and its sister property, Poggiomandorlo, which is located in Maremma.
